

Alexandria Gazette.

FRIDAY EVENING, MAY 21, 1909.

Local Matters.

Sun and Tide Table.

Sun rises tomorrow at 4:43 and sets at 7:10. High water at 9:04 a. m. and 9:40 p. m.

Weather Probabilities.

For this section rain tonight and Saturday; continued cool; moderate and brisk east and northeast winds.

FINED TWENTY DOLLARS.

Among the cases before the Police Court this morning was that of a negro named James Lewis, who had been arrested by Officer Young for assaulting and cutting a young colored woman named Geroline Carter. The cutting took place in a saloon in the northeastern section of the city last Saturday night. The woman exhibited wounds on her breast and stated that she also had cuts on her shoulders and back. Justice Caton fined Lewis \$20. By the ruling of the Corporation Court, colored women are not allowed to loiter in and about saloons, and it is said that the law is at present more honored in its breach than in its observance, and after the testimony in the above case Chief Goods announced his determination to report certain saloonkeepers who are violating the terms upon which their licenses are issued.

PROGRESSIVE EUCHERE.

Mr. and Mrs. C. E. Wildt last night entertained at progressive eucHERE in honor of Miss Blanche Westly, a young society girl of Altoona, Pa. Among the out-of-town guests were Misses Mary and Nellie Kelliber, Mr. and Mrs. E. H. Ingersoll and Messrs. Norton and Ralph Parker, of Washington; Mr. A. H. Travers, Misses S. Travers, H. Travers, A. Travers and Carrie Bernheimer; Mr. and Mrs. Thos. W. Nugent, Mrs. John Nugent, and Mr. and Mrs. Thos. Travers. The prizes were won by Messrs. A. H. Travers and Edward Ingersoll and Misses Blanche Westly and Carrie Bernheimer. Mrs. Wildt then served a supper to the party and about midnight they departed wishing Miss Westly and the hostess a long and happy life.

COOL WEATHER.

The cloudy weather and cool easterly wind of yesterday brought rain last night, and other showers have followed today. Conditions at an early hour this morning were more akin to those of March than the 21st day of May, the mercury in the thermometer being down to 52°.

As the day advanced more copious showers fell, while the wind came in heavy flares from the east. The highest tide of the year prevailed this morning, the water spreading in many cases to the building line on the Strand and occasioning considerable inconvenience to people compelled to move about the river front. The steamer Southland, which arrived this morning from Norfolk, reported heavy weather in the Chesapeake Bay last night. The waves ran high, and the landing at Old Point was made with difficulty.

FINED FOR TRESPASS.

George Jones, William Dodd, Lewis Chesbire and John Jeffries, the four youths charged with breaking open and robbing an ark belonging to William Hinken at the Dyke, Fairfax county, were taken before Justice Wright at New Alexandria yesterday evening, but in the absence of the plaintiff the case was continued and the boys released upon their own recognizance to appear at M. R. O'Sullivan's store, corner of Franklin and Patrick streets, this morning. The boys pleaded guilty as charged and the justice imposed a fine of \$5 and costs upon each for trespassing. The fine and costs in each case amounted to \$9.20. Officers Gill, Young, Beach and Ferguson, of this city, arrested the boys and turned them over to Constable Payne. Eight other warrants have been issued against the boys for similar offenses.

KILLED BY A TRAIN.

The man whose mangled remains were found on the track of the Washington-Southern Railway near the bridge at Quantico early yesterday morning proved to have been Mr. William Metzger, a well-known and prosperous farmer of that neighborhood. The deceased was 30 years old, and recently he had been suffering from insomnia. He had been in the habit of taking nocturnal walks around his farm, and on Wednesday night he left his home for a stroll. Remaining away longer than usual, a search was instituted and his mutilated body was found about 2 o'clock in the morning on the railway track. There is every reason to believe that he was struck by a train and that his death was not the result of foul play. Mr. Metzger leaves a widow and an adopted son.

INSANE MAN CAPTURED.

A patient of St. Elizabeth Asylum made his escape from that institution yesterday, and arming himself with a piece of iron pipe caused some excitement among people living in the vicinity of the steel plant. The man made his way to the river and walked out in the water until it was up to his chin. Enoch Davis, Stokes Mills, James Gorman, Ezekiel Lawrence and Norman Davis, young men of this city, were in a boat nearby, and they went after the lunatic and captured him while he was in the water. The man resisted them, but the young men overpowered the demented man and turned him over to officials of the asylum.

MEETING.

The annual meeting of the King Automobile Car Platform Company was held at the First National Bank in Rosslyn yesterday when the following officers were elected: W. M. King, president; J. W. Harper, vice president; and I. H. Saunders, secretary and treasurer. These with W. H. Saunders were made directors. W. M. King, J. W. Harper and W. H. Saunders were appointed the executive committee.

FUNERAL.

The funeral of the late Mrs. Roxey Williamson, who died at her home on Shinner's Hill last Wednesday morning, took place from Woodlawn Baptist Church this afternoon. The services were conducted by Rev. W. F. Watson, pastor of the First Baptist Church of this city.

The first showing of Regal Shoes in the city, John A. Marshall & Bro. 422 King street.

PERSONAL.

Mrs. Margaret Fleming, who has been visiting friends and relatives in this city and Washington, returned to her home in Staunton, Va., today. Mr. G. W. Clift and his wife have returned from King George county, after a few days, visit to Mr. Clift's parents. Invitations have been issued by Mr. and Mrs. George Yellott Worthington, of Washington, for the marriage of their daughter, Miss Elizabeth Lewis Worthington, to Mr. Angus MacDonald Crawford, formerly of Seminary Hill, but now of Texas, which is to take place at Christ Church, Georgetown, on Thursday evening, June 10, at 8 o'clock. Mr. H. Noel Garner, of this city, has been admitted to practice in the Circuit Court of Fairfax county.

AMUSEMENTS.

The Johnson-Downey Stock Co. again pleased an exceedingly large audience at the Opera House, with their presentation of a drama on New York life entitled "A Woman's Honor," under direction of Jos. P. Downey. The cast was exceptionally good. The stock company now performing at this house is one of the best that was ever visited this city and is attracting large crowds and delighting with amusing entertainment all who come.

At the Surprise an immense crowd was present to welcome the new vaudeville features ushered in last night. The amusement lovers were fully repaid for attending as the show is one of the best seen in this city. It is well to note that the management at this popular theatre endeavors to secure nothing but the best talent.

At the Alexandria Amusement Company's the large crowd enjoyed the motion pictures. They are changed nightly and are always of a class to please the most fastidious. Come out tonight and draw a prize—or at least try to.

POLICE COURT.

[Justice H. B. Caton presiding.] The following cases were disposed of this morning:

Bessie Hardy, colored, charged with being drunk on the streets, was fined \$5. Maggie Bell, colored, charged with disorderly conduct and fighting, had her case continued, and Charles Broadus, colored, with whom the woman had a difficulty, forfeited his collateral by failing to appear.

Barj. Hamilton, colored, charged with being drunk and disorderly was sent to jail for ten days.

James Harris, colored, charged with stealing underclothes, was fined \$5.

James Lewis, colored, charged with assaulting and cutting Geroline Carter, colored, was fined \$20.

Fred Jones, colored, charged with vagrancy, was sent to jail for twenty days.

A. L. I.

The Alexandria Light Infantry headed by the drum corps will march from Armory Hall on Monday at 5 o'clock to Lee Camp Hall and will act as special escort to Lee Camp in the Memorial Day parade, and will later fire a salute over the mound in Christ Church yard.

Murdered His Wife.

Norfolk, Va., May 21.—Crazed by jealousy, and failure to obtain work, Eugene Peebles, a young iron moulder, today murdered his wife in the home of the latter's twin sister, Mrs. Artie Lipp, 465 east Main street, by splitting her head open with an axe. Peebles was arrested. When locked up the young man expressed a desire to die also. The murder was committed in the presence of one of the two children of the young couple, and while the victim was writing a letter to her mother, in Augusta, Ga., telling of the hard time she was having with Peebles, due to his jealous disposition.

Shot Intruder.

Jackson, Ala., May 21.—A man, thinly clad, tried to enter the room of Miss Sarah Elliott, a well-known young Jackson girl, during the night, and was probably wounded before he got away. This morning a man's coat, trousers and hat found just outside the window through the intruder entered, were identified as belonging to Bryant Barroughs, son of Dr. J. W. Barroughs. The young man is missing.

About 3 a. m. Miss Elliott was awakened by a noise at her window. She screamed. Her mother rushed from an adjoining room, revolver in hand and fired three times at a man in the window. Today blood stains were found on the porch.

After a Murderer.

Jackson, Miss., May 21.—A detachment of policemen and deputies are closing in around Thomas Atkinson, an escaped murderer who defied them all night behind a barricade in the woods. Twenty-five years ago, Atkinson was convicted and imprisoned. Shortly afterward, he escaped and his whereabouts was only recently discovered. For twenty years after his escape, Atkinson led an exemplary life. He owns a farm and was prosperous when the authorities found him.

Independent Telephone Interests.

Indianapolis, Ind., May 21.—The independent telephone interests believe that Judge Taylor's decision at Cleveland, in which it was held that exclusive contracts for long distance service are against public policy, has opened the way to gain entrance into Chicago, Cincinnati, New York, and Washington, the biggest cities in the country now without independent exchanges.

You may not think that what we are going to tell you now is absolutely true, but honestly, we wouldn't mislead you for the world. No, indeed! Just listen: "Not many Saturdays ago, while we were rather busy at our stand waiting on our customers, a wireless message was handed us by a winged messenger, postmarked: "Elysian fields," and signed: "George Washington." It was an order for a supply of those irresistibly delicious Auth Sausages; Smoked Hams; Fresh Chipped Beef; Cooked Ham and Tongue; Breakfast Bacon; Imported Schweitzer, etc., etc. But of course, if you don't think this is the real, unadorned truth, just ask Mr. Einstein. He'll tell you it's a "pipe." Sylvan Blondheim, The Auth Stand, City Market.

He attended a meeting of the town council, of which he is a member, early in the evening and seemed in perfect health. Some people believe he was killed by a live wire with which he accidentally came in contact.

Billionsness and Constitution. For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparation and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. For sale by W. F. Creighton and Richard Gibson.
